GRAPHIC DESIGNER

THE OFFICE CINDERELLA

INTERACTIVE DESIGN INTERN May 2017 - August 2017
BPG Entertainment Advertising Agency, Los Angeles, CA

Designed social posts for clients Facebook accounts that recieved thousands of user impressions while engaging hundreds of nerds-super-fans in conversation.

Nefflix and chilled. No really, I was assgined to watch the Netflix series GLOW a week before its release, in the name of research.

Timecoded hours of slow-motion celebrity puppet footage for Fuse TV's Hollywood Puppet Sh*tshow. I had puppet nightmares for a week.

CASTING INTERN Sept 2016 - Dec 2016
Mike Lemon Casting, King of Prussia, PA

Managed the company's Faceboook account by posting corny acting jokes that appropriately correlated with each day of the week.

Managed the front desk, answering the phone and attempting to explain to the alarmingly aggressive stage mom why her "exceptionally talented son" didn't book the job.

Submitted and booked talent for upcoming auditions while selflessly avoiding temptation of sending in my own headshot, allowing other people the chance to follow their dreams.

THE DEVIL'S WORKING HARD, BUT I'M WORKING HARDER

FREELANCE GRAPHIC DESIGNER September 2017
Human Capital Management Institute, Los Angeles, CA

Designed a t-shirt for an elite financial company who definitely would not hire me for my finance skills.

UNRELATED, BUT STILL

HOSTESS June 2013 - August 2016
Shuckers Bar & Grille, Margate City, NJ

Pretended to be happy while accommodating entitled vacationers, bonding with staff over said vacationers, ensuring the restaurant ran smoothly.
